

Westside Football Club
17th Annual Charity Youth Jamboree
Thanksgiving Saturday 2011

Westside FC is proud to put on our *17th annual [Youth Soccer Jamboree](#)*. We extend an invitation to all teams and individual players across metro Vancouver - boys and girls from U7 – U10.

The tournament is held from 9 am to 2 pm on Thanksgiving Saturday, October 8, 2011 at Douglas Park, located at 801 West 22nd Avenue, 2 blocks east of Oak in Vancouver.

The tournament is 5-aside to 7-aside depending on the age group. Each team plays four 30-minute games and takes part in a skills clinic run by premier players. Individuals who register will be placed on a team.

Every year, Westside FC and the Kids Help phone work with sponsors Safeway et al to provide a heavily discounted concession with \$1 hot dogs and snacks and drinks including fresh Starbucks coffee. Help us sell out and generate dollars for charity!

60% of the proceeds go to Kids Help Phone, a toll-free, 24-hour help line that provides advice and counseling to troubled children and youth across Canada. Westside FC is proud to be contributing to a charity that has become an essential service to BC kids. To date, Westside FC has generated \$37,000 for the [Kids Help Phone](#).

30% of the proceeds go to the Mike Pettingale & Kelli Glass Memorial Scholarship Trust Funds. Since 2008, in honour of cherished fallen Westsiders, two scholarships are awarded annually to graduating grade 12s - one male and one female. See <http://www.westsidesoccer.com/scholarship.html>

10% of the proceeds go to provide playing scholarships to young players who have graduated from youth soccer. Deserving male and female players will be provided free season registration with Westside FC.

Everyone plays four 30 minute games and takes home a tournament T-shirt.

This is a **one day** event so the rest of the long weekend is free!

The focus of the day is on fun, participation and development.
