

Westside Football Club
16th Annual Charity Youth Jamboree
Thanksgiving Saturday 2010

Westside FC is proud to put on our *16th annual Youth Soccer Jamboree*. We extend an invitation to all teams and players across metro Vancouver. Options are available for boys and girls U6 – U10: a main tournament and a morning camp.

The tournament is held from 9 am to 2 pm on Thanksgiving Saturday, October 9, 2010 at Douglas Park, located at 801 West 22nd Avenue, 2 blocks east of Oak in Vancouver.

The main tournament is 5-aside to 7-aside depending on the age group. Each team plays four 30-minute games and takes part in a skills clinic run by premier players.

Based on participant feedback, this year we are trialing an option for individual registration. We will be putting a few Westside FC coached teams into the main tournament (made up of players who want to register individually) and also offering a separate mini tourney camp for U6 and U7s based on individual registration.

Every year, Westside FC and the Kids Help phone work with sponsors Safeway et al to provide a heavily discounted concession with \$1 hot dogs and snacks and drinks including fresh Starbucks coffee. Help us sell out and generate dollars for charity!

75% of the proceeds go to Kids Help Phone, a toll-free, 24-hour help line that provides advice and counseling to troubled children and youth across Canada. Westside FC is proud to be contributing to a charity that has become an essential service to BC kids. To date, we have generated over \$30,000 for the Kids Help Phone.

25% of the proceeds go to the Mike Pettingale & Kelli Glass Memorial Scholarship Fund. In honour of cherished fallen Westsiders, two scholarships are awarded annually to graduating grade 12s - one male and one female.
